## RULE 804

### Content of Petition

The petition for order for abatement shall contain the following information:

- (a) The name, address, and telephone number of the respondent.
- (b) The type of business or activity involved and the street address at which it is conducted.
- (c) A brief description of the article, machine, equipment, or other contrivance, if any, involved in the violative emission.
- (d) The section or rule which is alleged to have been violated, together with a brief statement of the facts constituting such alleged violation.

The permit status and history of the source sought to be abated may be included in the petition. A proposed order for abatement may also be included.

All petitions shall be typewritten, double-spaced, on letter-size paper (8 1/2 inches by 11 inches), on one side of the paper only, leaving a margin of at least two and one-half inches at the top and one inch at each side of the paper.
